C/Supt Gill	• Nothing.	
Supt Schwartz	• Nothing.	
Insp Schneider	• 5yo missing from school yesterday. Mother called in and turned out bi-polar father took her and she ahs been located. • Sudden death of 3yo today. History of siezures. Had a feaver last night and was found deceased this morning. Nothing suspicious. • u/k person brought to hospital with catastrophic non-operable brain injury. Not dead yet but expected to pass away. f/u with his g/f and appears that he is a heavy drug user and has accidents falling down and od'ing. No trauma to the body.	

	Looking for NOK. One of our SO's Person posing as talent scout for model agency. Went to court and convicted. 18 mo in jail, 10 year prob, and will be deported from Canada when his sentence expires.	
Supt Paradis	- Convoy – news coverage with Mike. Organizer is very cooperative and have said they are getting rid of people that are honking horns. - Teleconf with DEOC this afternoon. - RCMP BB Classic going very well. - BCACP Special Olympics polar plunge – with support of SLT I would like to organize this for our detachment.	
Supt Burleigh	- Cont to monitor the convoy protest – no issues last night. One noise bylaw conflict. - Tailgate thefts 18 from Langley in 3 days. - Cont to get bombing swatting calls at schools. 2 came in yesterday. Same caller for both calls. Seems to be coming out of Seattle. - Call this AM – jerry cans of gas left on road by protest. Confirmed by Road Supervisor they are on the median. - Watch dealing with sudden death of 3yo – significant prior medical issues.	
SSM Koga	- Challenge coins 70th anniversary – put in another order for 100 of them. Met with Rec Club yesterday and will put this out to other first responders. - Req for funeral attendance for death of retired member. Requested piper and drummer. - Spouses names have been approved to be added to regimental tombstones.	
Cpl. Munn	- Arson release went out yesterday. Got some coverage on this and transition release on IHIT. - Sarb doing RedFM today – opioid crisis.	
Johan	Nothing.
